Hi Kurt – Thank you for the feedback. This concern was raised by another staff member earlier this week and I forwarded along to the appropriate leadership.

For your reference please see the attached communication. If you see this behavior again, please let me know.

Kind Regards,

Kris Sharer

National Institutes of Health
Director, NINDS Division of Emergency Management & Operations Support

Kris:

I've noticed food service workers for Eurest and the trucks at Bldgs 35 & 10 not wearing masks, which makes me disinclined to purchase food from them.

I've not had the chance to talk with them about this, but I plan to do so the next time I see it. Is there someone else I should notify?
